## A Diary Excerpt from a DHS Girl

Dear Diary,

Wednesday, December 18th, 2019

I am soooo stressed and sleep-deprived ugh. Last night I stayed up until 3 A.M. staring at a picture of Michgulane University. I still have a bottle of air from when I visited there last summer. I breathe it in from time to time, but only when I *REALLY* need it. Anyways, it is finals week and I am FREAKING out. I've been trying to find excuses to get extended time but none of them seem to work. Apparently, caffeine addiction isn't an actual learning disability. Yesterday, my Chemistry teacher gave us a surprise quiz so I wasn't able to study 20 hours for it. I got a 92.4% and nearly cried but I don't think anyone saw me. After school, I plan on cuddling up in a blanket and refreshing Schoology until my grades go up. I sometimes wonder if G-d has answered my prayers...or the

devil.

It was another late night. I reread my entire APUSH textbook...for the third time. My mom got mad that she had to buy me my fourth history notebook in just one semester but she just doesn't understand. Michgulane doesn't accept kids who only go through three notebooks. During 2nd period, I was told that the APUSH test was difficult.

Even though I could recite the constitution forward, backward, and in 7 languages, I had my mom call me out just to be safe. Don't want to risk an A-haha lol. Just kidding its not a joke.

Saturday, December 21st, 2019

Today I had my big Varsity Squash tryouts. Besides studying and breathing sweet Michgulane air, I'd say squash is my favorite thing to do. Some girl kept trying to give me high fives but I **HATE** germs, ew stinky. I set aside time to do ACT prep, (2pm - 10pm) so I can get my score up to a 39 (people don't think its possible, but my rich relative bribed the grader ;)). The Bears play tomorrow. I can't wait to watch Danny Trevathan and Eddy Piñeiro, my two favorite players. OMG could you imagine if someone found this diary and posted it somewhere. That'd be super funny hahaha. Just kidding, I'd be traumatized.

## The Infamous Cats

seems about \$12 and an unfurled paperclip was allocated to film production. I hesitate to use the word 'film' as that would imply any degree of artistic merit and any care in

the final product. This film more closely resembles a North Korean propaganda reel and inspires a similar level of fear. How does one describe the plot of this creation? From what I could interpret, the cats competed to be killed and

ritually resurrected. In fairness to the cats, if I appeared in this movie, I would want to die too. For an ideal viewing experience, proceed as follows: Step 1, cover yourself head-to-toe so the other two audience members can't possibly recognize you, and you can maintain a shred of human dignity. Step 2, inject yourself with a heavy dose of morphine or another painkiller of choice. Finally, step three is to use the lab eye wash to erase any residue of the movie. In closing, I suppose I have to decide who I recommend this film to. If you're hoping to spice things up and find a new sleep paralysis demon, this movie is for you.
